Georgia Medicaid/PeachCare Preferred Drug List

Effective June 1, 2008

This Preferred Drug List is subject to change without notice. Generics are considered preferred unless noted. This list does not include all drugs covered under the Georgia Medicaid/PeachCare for Kids outpatient pharmacy program. **KEY**: **Preferred / P**: medications associated with a lower member copayment; **Non-Prefered / NP:** medications associated with a higher member copayment; **PA**: prior authorization required; QLL: quantity or therapy limits apply. The QLL listing and therapy limitation description are located in Part II of the Policies and Procedures for Pharmacy Services Manual located on the web portal, under Provider Manuals.
