(any such project described in subsection (a) or (b) above hereinafter a "Prior Bond Project"), and where any Prior Bond Project bonds remain outstanding (including any refunding bonds), the Board certifies that such Prior Bond Project is not now being used for any private business use within the meaning of pertinent provisions of the Code, except for those specific instances in which the Department has identified to the

Commission such use of the Prior Bond Project(s) and (a) provision was made so as to retire, redeem or defease any and all then-remaining outstanding bonds for the Prior Bond Project(s) concurrent with such use or (b) the Commission has determined that the aforementioned retirement, redemption or defeasance is not required to maintain the tax-exempt or Build America Bond status of such bonds.
