

## **MEDICAID-PEACHCARE NOTIFICATION 10/01/2007: OUTPATIENT FEE-FOR-SERVICE PHARMACY PROGRAM IMPORTANT UPDATE**

### DELAY IN IMPLEMENTATION OF THE TAMPER-RESISTANT **PRESCRIPTION** PAD PROGRAM GUIDELINES UNTIL MARCH 2008

Late last week, the U.S. Senate passed the Patient and Pharmacy Protection Act of 2007 which established a six-month delay for the tamper-resistant prescription pad program (TRPP) for Medicaid prescriptions drugs. Georgia Medicaid will not implement the TRPP before March 2008.

Please share this information with prescribers and other pharmacy providers.

Thank you for your continued participation and support.
