

PUBLIC NOTICE OF SPECIAL MEETING OF THE HEALTH STRATEGIES COUNCIL

A Special Meeting of the Health Strategies Council has been called by the Chair, Dan Rahn, M.D.

This meeting will take place on February 4, 2005 at 11:00 AM in the Department of Community Health Board Room, 40th Floor, 2 Peachtree Street, Atlanta, GA.

The agenda will be limited to the possible adoption of proposed new Rules 111-2-2-.21 (1) (d) and (3) (f) 3 and any other directly related rule which will, if adopted, authorize up to 10 Georgia hospitals to participate in the new Atlantic C-PORT medical research trial concerning percutaneous coronary interventions discussed at prior HSC meetings.

This Special Meeting has been called to meet the request of the HSC to consider and if adopted, transmit the proposed new rules to the DCH Board as soon as possible. The next regular HSC meeting is Feb. 25, 2005.

A draft version of the proposed rule changes will be posted on the DCH webpage before the Special Meeting.
