RE: 2011 Child Passenger Safety Mini-Grant

The Department of Community Health's (DCH), Division of Public Health, Injury Prevention Program is pleased to announce the 2011 recipients of the Child Passenger Safety Mini-Grant (see attached recipient list). The Child Passenger Safety Mini-Grant Program will assist local level health agencies throughout the state to reduce the motor vehicle related morbidity and mortality rates in Georgia's children. Funding for these efforts is provided by the Governor's Office of Highway Safety (GOHS) and the Maternal and Child Health Program.

In addition to the requirements stipulated in the Grant Application, grantees will be expected to comply with any additional provisions or obligations which may be required by the DCH, Division of Public Health, Injury Prevention Program. Through programs such as this we improve the health and wellbeing of Georgians by preventing injuries.

DCH takes great pride in providing opportunities to enhance our local level health agencies. There is much work to be done and through our collective efforts, we can make considerable strides in achieving our goals.
