

TESTIMONIALS from current customers:

Unbelievable support

-- Robert

Wisconsin

Dermatology

We have two clinics and five providers using SOAPware, and we like it very much.

-- Marshall

Illinois

Family Practice

A happy user since 2000. Support has been fantastic. Office staff and I both love SOAPware.

-- Fred

South Carolina

Family Practice

I have been using SOAPware for almost 4 years, and have not found anything else that fits my need AND budget!

-- David

Tennessee

Family Practice

SOAPware user since 1998. I am still both tweaking the details and enjoying the flexibility of the program. It remains my silent clinic partner.

-- Freeman

Colorado

Chiropractor

Completely satisfied. I have used this since 1998 and will never go back to any other type of medical record.

-- Jack

Ohio

Family Practice

I have dabbled with several other EMR systems but I had to come back to SOAPWARE because it is the only one that is sensible.

-- Chock

North Carolina

Neurology

Our office finds SOAPware to be a wonderful tool. As we learn more about the application we learn more about our patients.

-- Mark

Illinois

Family Practice

We have been using SOAPware in our paperless office for almost 3 years now. Very impressed by the performance.

-- MARK

Arizona

Family Practice

I love SOAPware!!It is a great time saver and your documents look so professional.

-- Jill

Kansas

Surgical

SOAPware user past two years...great customization ability...great interaction with Dragon...

-- Michael

Rhode Island

Family Practice

SOAPware user since 2002. Great program. Very customizable. Excellent value.

-- Tom

Texas

Family Practice

My staff learned how to use the software within minutes!

-- Mark

Indiana

Family Practice

Patients love the ability to take home instructions they can read. Pharmacists love the ability to read rx. Is such a time and financial gain for us.

-- Connie

Wisconsin

Family Practice

I love it and if I were President (God forbid) every office would have it

-- Regina

Arizona

Family Practice

Have been using this product for about 4 years now. It is inexpensive, easy to use, and highly customizable.

-- Terry

Mississippi

Family Practice

I have used SOAPware since the fall of 1994. To say that it has been invaluable to my practice and my professional career would be an understatement.

-- Terry

Wisconsin

Family Practice

SOAPware was my first EMR, Started just to try, fell in love with the results. A complete EMR for my practice.

-- Nauman

Texas

Internist

I dropped Medical Manager which is expensive piece, went back SOAPWARE, more user friendly. Has no regret doing that. Thank you.

-- Xiaolu

Illinois

Family Practice

A nice customizable paperless office software.

<p>-- Tarek Michigan Ophthalmology</p>
<p>User for 3 years, working well, steady improvement in use.</p>
<p>-- Bryan Washington, Family Practice</p>
<p>Works great for us. Solo family practice office.</p>
<p>-- Kay Washington Family Practice</p>
<p>WE HAVE JUST REALIZED THE TIME SAVER FACTOR, WE HAVE ALWAYS HAD PAPER CHARTS, WE ARE SO THANKFUL FOR SOAPWARE.</p>
<p>-- GEORGE Florida Family Practice</p>
<p>"like it"... been up since 12/2002</p>
<p>-- Deborah Ohio Family Practice</p>
<p>I have used SOAPware almost 2 years. It is simple and functional. It is customizable to allow personal preferences and greater efficiency.</p>
<p>-- Kenneth Missouri Family Practice</p>
<p>I love this program, made my job easier seeing patients in a fast efficient manor, eliminating script errors.</p>
<p>-- Jay Illinois Family Practice</p>
<p>Lots of potential....have saved over \$800.00 in transcription costs alone</p>
<p>-- Earl North Carolina Family Practice</p>
<p>Excellent, fully-functional, well-priced EMR.</p>
<p>-- Fabian Michigan Family Practice</p>
<p>Bought several years ago and now use in hospital and in office with prescription writer and fax server via snappy fax server and with integrations starting with fax records and labs.</p>
<p>-- Gary Florida Family Practice</p>
<p>Great solid product.</p>
<p>-- Gordon Texas</p>

Family Practice

So far so good. Tech support is excellent. Always get a call back within minutes! Looking forward to version 5 and the MySQL implementation.

-- Bob

Arizona

Implementing SOAPware in my Solo practice was much easier than I could have predicted. It was also very easy to train my staff. Harold

-- Harold

New York, Family Practice

It is the best value in the marketplace!

-- Pedro

Ohio

Family Practice

SOAPware is an excellent program and is easily customized. My office is totally paperless and runs much more smoothly.

-- Carl

Oregon

Family Practice

I have used SOAPware since 1999. I use it mainly for complicated patients. I have yet to convert completely to electronic charts.

-- Bill

Arkansas

Family Practice

Our practice has been very happy with SOAPware.

-- Burk

Washington

Family Practice

life saving

-- José

Florida

Internist

I opened my practice 2 years ago and went with SOAPware because it's affordable, customizable and allows me to be paperless. Definitely an effective program for any practice to use.

-- Christopher

Maryland

Family Practice

I find it innovative and easy to use.
