**Notes:**

<sup>1</sup> Effective April 1, 2003, the health planning areas for Obstetric Services were aligned to the twelve (12) State Service Delivery Regions (SSDR) as defined in O.C.G.A. § 50-4-7. The SSDR boundaries replace the previous thirteen health planning areas. The new planning areas were adopted by official action of the Health Strategies Council pursuant to O.C.G.A. § 31-6-20. See DCH Public Notice of March 3, 2003. SSDRs were amended effective July 1, 2005.

<sup>2</sup> Inventory based on approved and existing OB beds as of 9/25/2008.

<sup>3</sup> Represents data reported in the Annual Hospital Questionnaire (Perinatal Addendum).

<sup>4</sup> If numeric need for OB beds is projected in a region this need must also be accompanied by Aggregate Utilization of at least 75% in both of the most recent survey years to meet the criteria specified in 111-2-2-.24(3)(a)4 for new or expanded OB beds.
